## 7,000 Young People Unite in a Great Tribute of Praise.

Over seven thousand young men and women, representing the entire South, unite in paying a wonderful tribute of praise to The Ga.-Ala.-Bus. College, of Macon, Ga., which, by its thorough business training, has more than doubled their earning capacity, and placed them in position of great trust, honor and profit, while many of them have become conspicuous as managers of large and flourishing enterprises of their own.

The Ga.-Ala. is specially popular with young persons of limited education and means, as by its low rates and personal, painstaking instruction in all the English branches necessary to success, it places a practical business education within reach of all. The people of the South delight to patronize it on account of its homelike atmosphere; and it is known to be absolutely reliable in every particular, being progressive enough to advertise what it does, and honest enough to do what it advertises.

As the applications from business men for graduates, for years past, have been far in excess of the ability of the College to supply, exceptionally low rates are being given just now, which are certainly in reach of every one. Young persons ambitious to better their condition are urged to write at once for these rates, to

## Baptist Notes.

Last Sunday was Orphanage day in the Sabbath school, and, although so few was present, over five dollars were contributed. The attendance was the smallest this year, owing to three causes—dengue fever, the burial of little George Britt, and the absence of the children from the Orphanage.

The average attendance for the year thus far has been a little over one hundred. During 1900 the average attendance was 53; 1901, 54; 1902, 52; 1903, 54; 1904, 71; thus far 1905, 101.

Last Sunday's congregational offering was for the aged ministers of Florida. We hope the collection was creditable, and that greater interest may develop in this fund.

Our new ushers are brethren Holmer, Jones, Connel, and Selvidge.

At the deacon's meeting Sunday, it was unanimously decided to recommend that the church proceed to build this autumn, and that no new pews or repairs be put into the old house. Bro. S. E. Whidden started the ball to rolling by subscribing one thousand dollars, and Bro. J. L. Jones promptly duplicated the amount. So we have made a start at \$1,000 per name, who will be the next subscriber?

There is also another subscription list, not quite as expensive to the signers, which reads as follows: "We the undersigned, promise to pay, monthly, for six months, the amounts opposite our names, for the purpose of renting a hall and maintaining therein a public reading room in the city of Arcadia." Bro. Jones has promised to pay one month's rent and several others have subscribed one dollar per month, some others fifty cents, and several twenty-five cents each month. The pastor has the list and will manage the hall when

opened. We have engaged from Mr. Myer the room adjoining his barber shop in the old national bank building. It is a splendid situation, and ought to become a popular resort. More will be said of this enterprise next week.

The funeral of little George Britt was held in our church last Sunday morning just before the school hour. Many of the pupils attended the burial at the city cemetery. The sorrowing parents have our sympathy and prayers in the sad bereavement.

Bro. Bean requested the friends of the Orphanage to observe Orphanage day Saturday of this week by giving their earnings for that one day to the support of the little folks under his care. They need provisions and winter clothing. We trust there may be a liberal response.

## Cures Winter Cough.

J. E. Gover, 101 N. Main St., Ottawa, Kan., writes: "Every fall it has been my wife's trouble to catch a severe cold, and therefore to cough all winter long. Last fall I got her a bottle of Horehound Syrup. She used it and has been able to sleep soundly all night long. Whenever the cough troubles her, two or three doses stops the cough and she is able to be up and well. 25c, 50c and \$1.00. Sold by Ed Greene.

## Saved His Life.

J. W. Davenport, Wingo, Ky., writes June 14th, 1902: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump on my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two fifty cent bottles cured me sound and well. It is a wonderful medicine and I recommended it to suffering humanity. Sold by Ed Greene.
